-  Scuff and stain resistant
-  Waterproof
-  Comfortable underfoot
-  Quiet underfoot
-  Low-maintenance
-  Quantum Guard Elite coating
-  Underfloor heating-compatible
-  Hygienic (antimicrobial qualities)
-  Bevelled edges

HOW IT'S MADE

Durable by design

LVT comes in a vast choice of colours and design options that resemble Wood, Stone and Colour & Abstract. With Wood and Stone designs, it's easy to create a floor that combines authentic looks and patterns with the durability and easy care of LVT.

With Colour & Abstract LVT options, you can design a floor that's extraordinary. From bold colours and geometric patterns, to original designs and highly innovative products there is something that is sure to excite and inspire.

This illustration shows an Amtico Signature plank. Amtico Form and Amtico Spacia have five layers.

*varies by collection

1
Quantum Guard Elite coating
Provides superior durability and resistance against scuffs and marks.

2 & 3
Multi-layered high density 1mm wear layers*
To withstand intense use.

4 & 5
Aesthetic layers
Our carefully crafted choice of print films and pigmented layers that produce beautiful Wood, Stone and Colour & Abstract designs.

6 & 7
Backing layers
The final layers provide a foundation for the aesthetic layers, to guarantee high performance.
